Year 8-12 Bursary

We offer a Year 8-12 Bursary as part of our Student Bursary Program, for existing Glenmore students who feel they have excelled in a bursary category.

The aim of the bursary is to assist with expenses in high school. This can be a financially difficult time for students and families and we would like the opportunity to assist.

We recognise and encourage students who are actively involved in learning and their school community. If you do well with your school work, cultural, community involvement or sporting pursuits we want you to apply for a bursary!

What are the categories?

- ~ Academic
- ~ Community
- ~ Cultural
- ~ Sporting

Who is eligible to apply?

All existing year 8-12 students at Glenmore SHS who are returning to complete high school are eligible to apply for our Year 8-12 Bursary.

How to apply for a Bursary

Students should apply in their own hand writing on the application form listing any evidence and submit it at the school office by the closing date.

What does the bursary include?

Recipients receive recognition in the Glenmore High community and are presented with their bursary at our annual Awards Ceremony.

Each bursary consists of three parts:

- ~ Part 1 is payment of your "Student Resources Scheme (SRS) Fees".
- ~ Part 2 is a full "School Uniform" (recipients will receive a shirt, shorts, cap/bucket hat and socks).
- ~ Part 3 is involvement in P&C activities, helping and volunteering your time throughout the year

What to include in your application?

You will be asked to provide personal details, parent/guardian consent, referees (current teacher, coach or community member and current Principal), details of any awards, certificates, and other evidence of excelling in the chosen bursary category.

You will need to write a statement (in 250 words or less), outlining why you believe you should be awarded a bursary.

You will need to provide suitable information and evidence to assist us in considering your application.

Academic examples: a copy of recent school reports; evidence of achievements and participation in events and activities; dedication to school work.

Community examples: detail your school P&C activities, any committees and volunteering

Cultural examples: evidence of involvement and successes in cultural pursuits at school and in the community; current and past involvements and achievements.
