Student Dress Code 2024

Our Student Dress Code applies to all students of Glenmore State High School. This code has been approved by the P&C and takes into account workplace health and safety obligations for the safety of both our students and staff. Our school colours are black, burnt orange and white and our uniforms come with a variety of identifying embroidery. On enrolment, every student and parent will sign a commitment to adhere to this student dress code. Students are expected to be clean, well groomed and at all times present a positive and proud image of Glenmore State High School. Students who do not comply with the Student Dress Code may be asked to change or may be sent home to change into their school uniform and be required to make up any classes missed.

Workplace Health and Safety Considerations

Wearing of loose clothing in some situations is a hazard - shirts are to be tucked in for some subjects. Open footwear such as sandals, crocs and thongs are NOT permitted at any time, this includes when seniors are on exam block.

Individual Considerations

There are circumstances where a student may require an exemption from the Student Dress Code. Requested exemptions must be approved by Administration and noted in the school computer system.
