Process:

- Students are not required to attend Roll Class during this Assessment Block period. Students are required to spend the 10mins to prepare for their assessment session.
- Year 11 students are only required to attend school for their scheduled assessment sessions. Students are required to sign in at Administration if coming on to school grounds for any other purposes. Students must be in full school uniform when on school grounds.
- Students must attend exam and assessment scheduled sessions as per above as a priority over attending any external course days or school-based traineeship days.
- Assessment Hub: The library will be open for students to work on assessments, use computers, use the printer or to access a quiet space to study. Students remaining on school grounds when they don't have a scheduled assessment block session are required to be in the Library.
